

IDENTIFYING OPPORTUNITY.
UNLOCKING VALUE.
GENERATING OUTSIZED RETURNS.

ERNIE REINSTEIN

Head Of Asset Management
& Development

Ernie has 35 years of real estate asset management and development experience having worked at First Industrial, CBRE Global Investors, Colliers International and a small development and real estate services company. His experience covers industrial, office, retail and land assets totaling over \$2 billion in value. Over his career, Ernie has negotiated over 3 million SF of leases and administered numerous construction loans. While at First Industrial he worked on 24 build-to-suit and speculative industrial developments in 14 markets across the country consisting of 43 buildings, 8.4 MSF, and \$450 million total capitalization. He has led entitlements on over 350 acres of industrial land and prior to his industrial sector focus, he participated in 13 office and retail developments in Chicago consisting of over 400,000 SF and \$40 million of investment. His vast experience through multiple real estate cycles makes him adept at implementing and executing WC's investment and development strategies.
